Shariah Certificate for Zakat Funds- ACELP Institute of Child Development

Introduction:

ACELP is a voluntary welfare organization of parents, professionals and citizens for the care of children with developmental delays and special needs. Established in 1974 in Karachi, it provides diagnostics, special education, therapies and vocational training.
At ACELP, we support every child on their exciting journey of self-discovery, guiding them to develop physically, emotionally and socially through our nurturing environment. We empower them to achieve mastery over their surroundings and integrate into mainstream society.

Method of utilization of Zakat:

The ACELP's financial needs are being covered by general donations and Zakat that individuals and corporates from Pakistan and throughout the world contribute towards. Zakat received by ACELP is spent on the benefits of deserving patients. ACELP management checks out the financial condition of applicants in respect of Zakat eligibility and gets zakat agency from the eligible patient for the ACELP. This constructive tamleek (ownership) enables ACELP to collect Zakat on their behalf and right to utilize it as per eligible needs of beneficiaries.

Shariah Ruling:

To ensure the Shariah compliance of whole zakat process in true spirit, the undersigned company has been appointed as an independent Zakat Consultant to review all Zakat-related documents and procedures. After conducting the review exercise, we hereby certify that ACELP collects and consumes Zakat funds as per Shariah rules and regulations. It is also confirmed that whosoever will give Zakat to this organization; his/her Zakat will be paid as per Shariah.
May Allah Almighty forgive any mistake in this assignment and grant the management best reward for their services. Aameen
